Students' Feedback

I was a student of ZPA since CPT. For Accounts and Costing at IPCC, Anshul Sir gave a lot of correlated examples which made the subjects very easy. Swati Mam made Taxation an FM very simple and lively. Her monthly tests were very helpful. Urmila Mam taught us Law with a lot of examples and case laws which made it easy to understand and remember. Overall a very good experience of IPCC at ZPawares.

Alfiya Inamdar

Anshul Sir is one of Best Faculties in ZPA. He makes the topic trouble-free, so that students can easily cope up with the Accounting aspects and points. Swati Miss helps students to get used to with the basic concepts in the particular subject. She is interactive with students and good at clearing their doubts and difficulties. Urmila Miss teaches subjects effectively and with ease. She teaches Law with proper concept clarity and problem solving. Students get used to with the theory subjects because of her teaching techniques.
